The Clovis Municipal Schools Board of Education selects Your LED Solutions for its Green Lighting Project.

Clovis, New Mexico - Mar 30 2010 – The Clovis Municipal School board approved a request for bid for \$71,250 worth of LED lighting for the district’s central office with Your LED Solutions. Clovis Deputy Superintendent of Operations Joel Shirley said the energy-efficient lighting will be paid for with grant money from the New Mexico Energy, Minerals and Natural Resources Department. He said the district can also apply for energy efficient rebates for installing the lights. The Clovis schools maintenance staff will replace the fixtures and lights, he said.

“We are proud to partner with the Clovis Municipal Schools to contribute to energy conservation in New Mexico through the use of energy-efficient LED lighting technology“ said Ruby Jadwet, Your LED Solutions president. “I would also like to thank District Energy Manger, Mike Thomson, who played a large role in the project testing” said Jadwet.
